Dear Tustin Unified Families and Friends,

Tustin Area Council for Fine Arts (TACFA) looks forward to our mission in 2026.

To preserve and promote the arts in the Tustin Unified School District (TUSD) and the Tustin community.

As partners of TUSD, TACFA continues to support all the art programs and promotes the growth of the arts throughout the school district and community of greater Tustin.

TUSD believes in a well-rounded education that includes multiple opportunities for students to express themselves, build confidence, and discover their unique voices through the arts; Visual, Art, Music, Dance, and Theater.

Every year the TUSD art programs grow in both participation and impact. Students explore new mediums, develop creative problem solving, and showcase talents that deserve to be nurtured. As the programs grow and continue to offer high quality art experiences for every student, we rely on the generosity of our community.

TACFA asks for your support to help us meet this challenge in helping us continue to provide more art supplies and materials for the classrooms, equipment and tools for student projects, opportunities for exhibits, performances, and community showcases plus enrichment activities such as workshops and field trips.

Your donation of any amount directly benefits TUSD students and helps to ensure that the arts remain vibrant and accessible across our district.

Use this link to donate today <https://tacfa.org/tusd/> or send directly to TACFA at PO Box 145, Tustin CA 92781.

TACFA is a volunteer non-profit 501 (c) (3) founded in 1992 by a small group of passionate individuals dedicated to preserving the arts throughout Tustin. We offer support, scholarships, grants, and are progressive in supporting community art programs.

If you know someone who would like to be a business sponsor of our programs, please share this information. We have multiple opportunities to support TUSD and our Tustin art community. <https://tacfa.org>

Any questions or inquiries, please reach out to any TACFA board member,

Sincerely ,

Kristin Chahbazian
